Dear to me are the joyous tones
Of zephyr bird and bell
My heart replies to their music glad
And knows its language well
But sweeter and dearer far to me
When the gorgeous day is o'er
The softened bugle notes I hear
Above the waters roar.

Swift the torrent is rushing now
O'er rocks of glittering white
Above their roar a bugle voice
Comes o'er the waters bright
The lips that wake that bugle strain
I know their music well
For kinder and gentler thoughts they beathe
Than zephyr bird or bell
